3. TYPES OF ACTIVITIES AND POSSIBLE INJURIES

Freshmen Orientation Programme may include physical and team-building activities. Possible injuries include cuts, bruises, sprains, muscle strains, and heat exhaustion.

Safety is our primary concern and we take all precautions to guard against injury. If you are not feeling well enough for an activity or have sustained an injury, please inform your group leader or First Aider immediately. If you have a medical history or an existing medical condition and are not certain if you should participate in the more rigorous activities, you are advised to refrain from participating unless you have sought clearance from your doctor. Please note that the cost of any medical treatment is to be borne by the participants.

Participation is not mandatory for any activity. You reserve the right and are responsible to select the activities you wish to participate in.

If you have any feedback or emergency to report, please feel free to call our 24hr Campus Security hotline at 6790 4777 for immediate assistance. Alternatively, you can text 8125 2235 or send email to dso@ntu.edu.sg.
